## Baking Masterclass

Last Thursday of every Month

6pm until 8pm

Come and enjoy a fun filled evening of Baking with the perfect guidance from our amazing Patisserie Chef Darren. Darren is a fully qualified Pastry Chef and has an amazing passion for baking cakes and treats for people to enjoy. If you have been to the Tea Rooms before then you will have enjoyed one of his bakes.

All ingredients and equipment will be provided for you and best of all you get to keep the Bakes that you make and take them home with you. You will be shown 2 different Bakes on each evening along with having the chance to ask Darren about anything to do with Baking. Classes will be limited to 12 work stations which will make for more time baking.

Bring your friends or family for an evening of baking and see who can make the best Victoria Sandwich or the yummiest Gingerbread biscuit. The bakes will change and be chosen for you on each Masterclass. Each month the bakes will gradually get more difficult to test your new baking skills.

Tickets will include all the Equipment, Aprons and Ingredients you will need to succeed. Tickets are for one work station with everything you need to make the bakes. You can have up to 2 people working at each station. Each station will complete 2 bakes that they get to take home with them.

Tickets  
From £20

Ticket Only. All tickets are to be paid for at time of booking. All payments are non-refundable.
